

Coaches/Parent Information

Thank you to our coaches for volunteering and parents for trusting the OHMBA and registering your children this summer. Although baseball will look a little bit different, we look forward to getting the kids back on the field in a safe way. Here are a few key aspects of our return to play that we need your help with:

- We are requesting that all players bring their own glove, batting helmet, water bottle, face mask (recommended to also bring a spare), and hand sanitizer to limit the use of shared equipment
- Any equipment (ie catchers gear and bats) that is shared will be disinfected between each user
- During this Stage spectators are not allowed. Children under the age of 18 are permitted to have one parent/guardian in attendance.
- Prior to attending the baseball park please fill out your screening and attendance on the SportsHeadz app (no more than 2 hours prior). Both the player and parent/guardian (if child is under 18) need to fill this out.
- If you fail screening please stay home
- Please arrive no more than 15 minutes prior to your scheduled start time.
- When you arrive, check in with your team screener and sanitize your hands. They should be located just outside your designated team bench
- Players on the bench need to be wearing their masks and physically distancing
- Any parents/guardians in attendance must not enter the baseball diamond but can be in the park. It is encouraged that you bring your own chair and be mindful of physical distancing
- Coaches will cover any Covid-specific baseball rule changes
- Please leave within 15 minutes of the timeslot finishing up
- If your child tests positive for Covid-19, we ask that you report it to Jennifer Bell (belljenn@gmail.com) with the OHMBA so that we can work with Public Health for contact tracing and ensure proper disinfection of team equipment occurs. Confidentiality will be maintained.

Most importantly:

- Make sure to have fun and enjoy being back out on the diamond!!

If anyone has any questions or concerns please feel free to contact:
